Re: **October 3, 2014 Public Records Request**

Dear Malibu Unites:

This letter follows our October 15 and November 14, 2014 correspondence regarding your October 3, 2014 request for documents and information from the Santa Monica-Malibu Unified School District ("District") under the California Public Records Act ("PRA") (Government Code section 6250 *et seq.*)

Enclosed, please find disclosable public records responsive to your request. As a courtesy, on this occasion, the District has waived the associated copying costs. The District reserves the right to amend and/or supplement this response upon discovery of additional responsive documents. The District will notify you should it need to amend its response.

As mentioned in our previous letter, the District will not produce privileged documents that are encompassed by an exemption under the PRA or any state or federal law. The District has segregated and/or redacted privileged and/or exempt information as needed. (*See* Gov. Code §§ 6254, 6255.) If the District inadvertently produces any privileged document(s) that are encompassed by any exemption under the PRA or any state or federal law, such production is not intended to be a waiver of any privilege or any right to withhold such document or documents.
